

Fill in the gaps

At times life is (1) and I (2) can't	Believe you can fly
see the light	Away, away
A silver lining sometimes isn't enough	Am I hiding in the shadows?
To make (3) wrongs seem right	Forget the pain and forget the sorrows
Whatever life brings	Am I hiding in the shadows?
I've been through everything	Forget the pain and forget the sorrows
And know I'm on my knees again	But I know I must go on
But I know I must go on	Although I hurt I must be strong
Although I hurt I (4) be strong	Because inside I know that many feel this way
Because inside I know that (5) (6) this	Children don't stop dancing
way	Believe you can fly
Children don't stop dancing	Away, away
Believe you can fly	Children don't stop dancing
Away, away	Believe you can fly
At times life's unfair and you know it's plain to see	Away, away
Hey God I know I'm just a dot in (7) world	Children don't stop dancing
Have you (8) about me?	Believe you can fly
Whatever life brings	Away, away
I've been through everything	Am I hiding in the shadows?
And know I'm on my knees	Are we hiding in the shadows?
But I know I must go on	
Although I hurt I (9) be strong	
Because inside I know that many feel this way	
Children don't stop dancing
