

Fill in the gaps

	Cause i m tired of drifting round
Can anybody hear me?	And round
Am I talking to myself?	Can I please come down?
My mind is running empty	Now I lie awake and scream in a zero gravity
n the search for someone else	And it's starting to weigh (12) on me
Nho doesn't look right through me	Let's abort (13) mission now
t's all just static in my head	Can I please come down?
Can anybody (1) me why	So tonight I'm (14) all astronauts
'm lonely like a satellite?	Calling (15) (16)
Cause tonight I'm feeling like an astronaut	(17) the world forgot
Sending SOS from this (2) box	If you hear my voice come pick me up
And I (3) all signal when I lifted up	Are you out there?
Now I'm stuck out here and the world forgot	'Cause you're all I've got!
Can I please (4) down	And tonight I'm (18) (19) an
Cause I'm tired of (5) round	astronaut
And round	Sending SOS from this (20) box
Can I please come down?	And I (21) all (22) when I
'm (6) from all the silence	(23) up
s it something that I've done?	Now I'm stuck out here and the (24) forgot
(7) that there are millions	'Cause tonight I'm feeling like an astronaut
can't be the only one who's so disconnected	Sending SOS from this tiny box
t's so (8) in my head	To the lonely people (25) the world forgot
Can anybody tell me why	Are you out there?
'm lonely like a satellite?	'Cause you're all I've got!
Cause tonight I'm feeling like an astronaut	Can I please (26) down?
Sending SOS (9) this (10) box	'Cause I'm tired of drifting round and round
And I lost all signal when I (11) up	Can I please come down?
Now I'm stuck out here and the world forgot	Can I please come down?
Can I please come down?	Can I (27) (28) down?

1. tell
