

## Fill in the gaps

### Astronaut by Simple Plan

...  
Can anybody hear me?  
Am I talking to myself?  
My mind is running empty  
In the search for someone else  
Who doesn't look right through me  
It's all (1)\_\_\_\_\_ static in my head  
Can anybody tell me why  
I'm lonely like a satellite?  
'Cause tonight I'm feeling like an astronaut  
Sending SOS from this tiny box  
And I lost all signal when I lifted up  
Now I'm stuck out here and the world forgot  
Can I please come down  
'Cause I'm tired of drifting round  
And round  
Can I please (2)\_\_\_\_\_ down?  
I'm deaf (3)\_\_\_\_\_ all the silence  
Is it (4)\_\_\_\_\_ that I've done?  
I know that there are millions  
I can't be the (5)\_\_\_\_\_ one who's so disconnected  
It's so different in my head  
Can anybody tell me why  
I'm lonely like a satellite?  
'Cause tonight I'm feeling like an astronaut  
Sending SOS from this tiny box  
And I lost all signal when I lifted up  
Now I'm stuck out here and the world forgot  
Can I please come down?

'Cause I'm tired of drifting round  
And round...  
Can I please come down?  
Now I lie awake and scream in a zero gravity  
And it's starting to weigh down on me  
Let's abort this mission now  
Can I please come down?  
So tonight I'm calling all astronauts  
Calling lonely people that the world forgot  
If you hear my voice come pick me up  
Are you out there?  
'Cause you're all I've got!  
And (6)\_\_\_\_\_ I'm feeling like an astronaut  
Sending SOS from this tiny box  
And I lost all signal when I (7)\_\_\_\_\_ up  
Now I'm stuck out here and the world forgot  
'Cause tonight I'm feeling like an astronaut  
Sending SOS (8)\_\_\_\_\_ this tiny box  
To the (9)\_\_\_\_\_ people that the world forgot  
Are you out there?  
'Cause you're all I've got!  
Can I please come down?  
'Cause I'm tired of drifting round and round  
Can I please come down?  
Can I (10)\_\_\_\_\_ come down?  
Can I please come down?

Answer

1. just
2. come
3. from
4. something
5. only
6. tonight
7. lifted
8. from
9. lonely
10. please
