

Fill in the gaps

I'd go beyond our fighting borders	'Cause I (7) sailed a (8) ships
If you needed (1) from me	to you
And I'd march with decorated soldiers	But my messages don't seem to make it through
To get your pretty eyes to see	Well money and fame
Well, I would bring your morning coffee	They are losing game
Then I'd wrap you up in me	And I know those pretty actresses
I'd kiss your belly and your shoulders	Are calling your name
Cover blankets on our feet	But I'll be here waiting
So slow down	I'll always be the same
There's some kind of blessing here	If you'd let me in again
But you have missed your cue	Da da da da
So keep your eyes set	Da da da da
On the horizon, on the (2) where blue meets blue	Da da da da
And I'd bet, that silver lining	Da da da da
Well I know it'd find you soon	Da da da da
Because I have sailed a Thousand Ships to you	Da da da da
But my messages don't seem to make it through	So keep your eyes set
Well I would bring your morning coffee	On the horizon, on the line where blue meets blue
Then I'd (3) you up in me	And I'd bet, that silver lining
I'd kiss your belly and your shoulders	Well, I know it'd find you soon
Cover blankets on our feet	Keep your (9) set
But slow down	On the horizon, on the line where blue meets blue
There's (4) (5) of blessing here	And I'd bet, that silver lining
But you've gone and missed your cue	Well I know it'd find you soon
So keep your (6) set	'Cause I have sailed a thousand ships to you
On the horizon, on the line where blue meets blue	But my messages don't seem to make it through
And I'd bet, that silver lining	
Well I know it'd find you soon
