

Fill in the gaps

Firework by Katy Perry

Do you ever feel like a plastic bag,
drifting through the wind
wanting to start again?
Do you ever feel, feel so paper thin
like a house of cards,
one (1)_____ from caving in?
Do you ever feel already buried deep?
6 feet under screams but no one seems to hear a thing
Do you know that there's still a chance for you
'Cause there's a spark in you
You just gotta ignite, the light, and let it shine
Just own the night like the 4th of July
'Cause (2)_____ you're a firework
Come on, show 'em what you're worth
Make 'em go "Oh, oh, oh"
As you shoot across the sky-y-y
Baby, you're a firework
Come on, let your colors burst
Make 'em go "Oh, oh, oh"
You're gonna leave 'em falling down-own-own
You don't have to (3)_____ like a waste of space
You're original, cannot be replaced
If you (4)_____ knew what the future holds
After a hurricane comes a rainbow
Maybe your reason why all the doors are closed
So you could open one that (5)_____ you to the
perfect road
Like a lightning bolt, your heart will blow
And when it's time, you'll know

You just gotta ignite, the light, and let it shine
Just own the night (6)_____ the 4th of July
'Cause baby you're a firework
Come on, show 'em what you're worth
Make 'em go "Oh, oh, oh"
As you shoot across the sky-y-y
Baby, you're a firework
Come on, let your colors burst
Make 'em go "Oh, Oh, Oh"
You're gonna leave 'em (7)_____ down-own-own
Boom, boom, boom
Even brighter than the moon, moon, moon
It's always been inside of you, you, you
And now it's (8)_____ to let it through-ough-ough
'Cause (9)_____ you're a firework
Come on, show 'em what you're worth
Make 'em go "Oh, Oh, Oh"
As you shoot across the sky-y-y
Baby, you're a firework
Come on, let your colors burst
Make 'em go "Oh, Oh, Oh"
You're (10)_____ leave 'em falling down-own-own
Boom, boom, boom
Even brighter than the moon, moon, moon
Boom, boom, boom
Even brighter than the moon, moon, moon

Fill in the gaps

Answer

1. blow
2. baby
3. feel
4. only
5. leads
6. like
7. falling
8. time
9. baby
10. gonna
