

## Fill in the gaps

Day (1) day	But sooner or (16) I gotta choose
Time (2) away	And once again I'm (17) about
And I just can't get you off my mind	Taking the (18) way out
Nobody knows, I hide it inside	But if I let you go
I keep on (3) but I can't find	I (19) never know
The courage to show	What my life would be
To (4) you know	Holding you (20) to me
I've never felt so much (5) before	Will I ever see
And (6) again I'm thinking about	You (21) at me (oh yeah)
Taking the easy way out	How will I know?
But if I let you go	If I let you go
I will never know	If I let you go
What my life (7) be	(Oh baby)
Holding you (8) to me	Once again I'm (23) about
Will I ever see	Taking the easy way out
You smiling back at me (oh yeah)	But if I let you go
How will I know?	I will never know
If I let you go	What my life (24) be
Night (9) night	Holding you close to me
I hear myself sayin'	Will I (25) see
Why can't this feeling just fade away?	You smiling back at me
There's no one (10) you	How will I know?
You (11) to my heart	If I let you go
It's (12) a (13) we're	
(14) apart	
I'm too shy to ask	
I'm too (15) to lose
