

## Fill in the gaps

Sitting in the dark, I can't forget	So (13) I got away, I (14)
Even now, I realize the (1) I'll (2) get	(15) my scars
Another story of the Bitter Pills of Fate	The other me is gone
I can't go back again	Now I don't (16) where I belong
I can't go back again	We were (17) alive, and we won't be born again
But you asked me to (3) you and I did	l'II never (18) (19) dead
Traded my emotions for a (4) to commit	memories in my heart
And (5) I got away, I only got so far	Dead (20) in my heart
The (6) me is dead	Dead memories in my heart
I hear his voice (7) my head	Dead memories in my heart
We were (8) alive	Dead (21) in your name
And we won't be (9) again	Dead (22) in my veins
I'll never survive (10) dead memories in my heart	Dead (23) in my heart
Dead (11) in my heart	Dead memories in my heart
Dead memories in my arms	Dead memories in my heart
You told me to love you and I did	Dead memories in my heart
Tied my soul into a (12) and got me to submit
