

Throw up your arms into the sky

## Fill in the gaps

Do you know what's worth fighting for?		You and I	
When it's not worth (1)	for?	(Did you)	
Does it (2) your breath away?		Did you try to live on your own?	
And you feel yourself suffocating?		(When you)	
Does the pain weigh out the pride?		When you (7)	down the house and home?
And you look for a place to hide?		(Did you)	
Did (3) break you	r heart inside?	Did you stand too (8)	to the fire?
You're in ruins		Like a liar looking for forgiveness	
One, twenty-one guns		From a stone	
Lay down your arms		When it's time to live and let die	
Give up the fight		And you can't get another try	
One, twenty-one guns		Something inside this heart has died	
Throw up (4) arms into the sky		You're in ruins	
You and I		One, twenty-one guns	
When you're at the end of the road		Lay down your arms	
And you lost all sense of control		Give up the fight	
And your thoughts (5) tal	ken their toll	One, twenty-one guns	
When your mind (6)	the spirit of your soul	Throw up your arms (9)	the sky
Your faith walks on broken glass		One, twenty-one guns	
And the hangover doesn't pass		Lay down your arms	
Nothing's ever built to last		Give up the fight	
You're in ruins		One, twenty-one guns	
One, twenty-one guns		Throw up your (10)	into the sky
Lay down your arms		You and I	
Give up the fight
