

Fill in the gaps

Do you know what's worth (1)	for?	You and I	
When it's not worth dying for?		(Did you)	
Does it take your breath away?		Did you try to (9)	on your own?
And you (2) yourself suffocating?		(When you)	
Does the pain weigh out the pride?		When you burned down the house and home?	
And you (3) for a place to hide?		(Did you)	
Did (4) break your (5)	inside?	Did you stand too close	to the fire?
You're in ruins		Like a liar looking for for	giveness
One, twenty-one guns		From a stone	
Lay down your arms		When it's time to live and let die	
Give up the fight		And you can't get another try	
One, twenty-one guns		Something inside this heart has died	
Throw up your arms into the sky		You're in ruins	
You and I		One, twenty-one guns	
When you're at the end of the road		Lay down (10) arms	
And you lost all sense of control		Give up the fight	
And your thoughts (6) taken their	toll	One, twenty-one guns	
When your mind breaks the spirit of (7)	soul	Throw up your arms into	the sky
Your faith walks on broken glass		One, twenty-one guns	
And the hangover doesn't pass		Lay down your arms	
Nothing's ever built to last		Give up the fight	
You're in ruins		One, twenty-one guns	
One, twenty-one guns		Throw up your arms into the sky	
Lay down your arms		You and I	
Give up the fight			
One, twenty-one guns			
Throw up your arms (8) the sky
