Other Side Of The World by KT Tunstall

Over the sea and far away		Is (18) of tired excuses
She's waiting like an iceberg		But it's to hard to say
Waiting to change		I wish it (19) simple
But she's (1) inside		But we give up easily
She (2) to be like the water		You're close enough to see that
All the muscles tighten in her face		You're the other side of the (20) to me
Buries her (3) in one embrace		Can you help me?
They're one and the (4) just (5) w	vater	Can you let me go?
The (6) fades away		And can you still (21) me?
Most of everyday		When you can't see me anymore
Is (7) of (8) excuses		And the fire fades away
But it's to (9) to say		Most of everyday
I wish it were simple		Is full of tired excuses
But we give up easily		But it's to (22) to say
You're (10) enough to see that		I wish it were simple
You're the other (11) of the (12)	to	But we (23) up easily
me		You're (24) enough to see that
On comes the panic light		You're the (25) of the world
Holding on with fingers and (13) al	like	The other side of the world
But the (14) has come		You're the (27) side of the world to me
To (15) along		
And the (16) away
