

Threshold by Anna Waronker

Inside this life	So I bid farewell
Under it's spell	The loving hand that saved me
I close my eyes	Held too tight
And live to tell	His (6)_____ weighs on me at night
The (1)_____ we're (2)_____ will never	People change
disappear	And instantly
Death she grows near	I'm not the same girl
People change	I used to be
And instantly	I can't erase all the memories
I'm not the same girl	But I can explain
I used to be	If you're listening
I can't (3)_____ all the memories	People change
But I can explain	Not (7)_____ me
If you're listening	I never (8)_____ or wanted to
People change	You (9)_____ across my threshold
Not (4)_____ me	How could you?
Locked up in silence	
A (5)_____ hell	
My heart still beats
