Ever Dream (Live) by Nightwish

Fill in the gaps

Ever felt away (1) me		Ever felt away without me	
Just once that all I need		My love, it lies so deep	
Entwined in finding you one day		Ever dream of me	
Ever felt (2) without me		Your beauty cascaded on me	
My love, it lies so deep		In this white night fantasy	
Ever dream of me		(Dream of me)	
Would you do it with me?		Ever felt away with me	
Heal the scars and change the stars		Just once that all I need	
Would you do it with me		Entwined in finding you one day	
Turn loose the heaven within		Ever felt away (6)	me
I'd take you away		My love, it lies so deep	
Castaway on a lonely day		Ever dream of me	
Bosom for a teary cheek		Ever (7) away with me	
My song can but borrow your grace		Just once (8) all I need	
Ever felt away with me		Entwined in finding you one day	
Just once that all I need		Ever felt away without me	
Entwined in finding you one day		My love, it lies so deep	
Ever felt away without me		Ever dream of me	
My love, it (3) so deep		(Dream of me)	
Ever dream of me		Ever felt away (9) me	
(Dream of me)		Just once that all I need	
Come out, come out, (4)	you are	Entwined in finding you one day	
So lost in your sea		Ever felt away without me	
Give in, give in for my touch		My love, it (10) so deep	
For my taste, for my lust		Ever dream of me	
Ever felt (5) with me			
Just once that all I need			
Entwined in finding you one day
