Fill in the gaps

Hey baby, when we are together	I don't want to run away
Doing things that we love	I want to stay forever, thru time and time
Every time you're near I feel like I'm in heaven	No promises
Feeling high	I don't wanna run away, I don't wanna be alone
I don't want to let go, girl	No promises
I just need you to know girl	Baby, now I need to hold you tight
I don't wanna run (1) baby	Now and forever my love
You're the one I need tonight	No promises
No promises	I don't wanna run away baby
Baby, now I (2) to (3) you tight	You're the one I need tonight
