

I know I can't take one more step towards you

## Fill in the gaps

Who do you think you are

Cause all that's waiting is regret	Dear, it took so (4) just to feel alright
And don't you know I'm not your ghost anymore	Remember how to put back the (5) in my eyes
You lost the love I loved the most	I wish I had missed the first time that we kissed
I learned to live half alive	Cause you broke all your promises
And now you want me one more time	And now you're back
And who do you think you are	You don't get to get me back
Running 'round leaving scars	And who do you think you are
Collecting your jar of hearts	Running 'round (6) scars
And tearing love apart	Collecting your jar of hearts
You're gonna catch a cold	And tearing love apart
From the ice inside your soul	You're gonna catch a cold
So don't come back for me	From the ice inside your soul
Who do you think you are	So don't come back for me
I hear you're asking all around	Don't come back at all
If I am anywhere to be found	And who do you think you are
But I have grown too strong	Running 'round leaving scars
To ever fall (1) in your arms	Collecting your jar of hearts
And learn to live half alive	And tearing love apart
And now you want me one more time	You're (7) catch a cold
And who do you think you are	From the ice (8) your soul
Running 'round leaving scars	Don't come back for me
Collecting your jar of hearts	Don't come (9) at all
And tearing love apart	Who do you think you are?
You're (2) catch a cold	Who do you think you are?
From the ice (3) your soul	Who do you think you are?
So don't come back for me
