# Fine by Whitney Houston

It's Fine	
Fine, fine, fine, fine	
It's alright	
Had a dream last night	
That the world stopped turning	
But your madness, it kept on	
Guess I wasn't too bright	
And I really wasn't learning	
Should have seen it all along	
All those sweet (sweet), sweet (1)	(yeah)
And those sweet (sweet) red roses (yeah)	
They convinced me that it was you	
I made you (you) exclusive (yeah)	
Now it's so (now it's conclusive that) conclusive	
That you wasn't doing it too	
If you'd told me from the start that you're playing	
Around it would have been fine	
It would have been fine	
Then I would have played too and I guess	
I would have had a good time	
If you'd told me from the start that you're playing	
Around it would have (2) fine	
Then I would have played too and I guess	
I would (3) had a good time	
Something didn't feel right	
And I wish I knew it	
I just could not see your games	
I got respect for you	
And you put me through it

Why would you bring me so much pain  I would stil love for you, 'cause I did adore you
While my dogs would chew you out
Tried to be so nice on those lonely nights
(On those lonely, lonely, lonely nights)
But I should have figured you out
If you'd told me from the start that you're playing
Around it would have been fine
It would have been fine
Then I would have played too and I guess
I would have had a good time
I would have had a good time
If you'd told me from the start that you're playing
Around it would have been fine
It would have been you baby
Then I would have played too and I guess
I would have had a good time
Baby you're so fine
(You are the one that I love)
You are so fine
(Your love was sent from above)
You are so
(You're fine, fine, fine, fine, fine, fine, fine, fine, fine)
(So doggone fine)
Baby you're so fine
(You are the one that I love)
You are so fine, fine
(Your love was sent (4) up above)

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine)
