Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should have seen it all along

All those sweet (sweet), sweet kisses (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it's (1)_____ that) conclusive

That you wasn't doing it too

If you'd (2)_____ me from the start that you're playing

Around it would (3)_____ been fine

It would have been fine

Then I would have played too and I guess

I (4)_____ have had a good time...

If you'd told me from the start that you're playing

Around it would have been fine...

Then I would have played too and I guess

I would (5)_____ had a good time...

Something didn't feel right

And I wish I (6)_____ it

I just could not see your games...

I got respect for you

And you put me through it

Fill in the gaps

Why would you bring me so (7)_____ pain

I would stil love for you, 'cause I did adore you

While my dogs would chew you out

Tried to be so (8)_____ on those lonely nights

(On (9)_____ lonely, lonely, (10)_____ nights)

But I should have figured you out

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time

I would (11)_____ had a good time
