

Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should have seen it all along

All those sweet (sweet), sweet kisses (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me (1)_____ it was you

I made you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't (2)_____ it too

If you'd told me from the start that you're playing

Around it would (3)_____ been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time...

If you'd told me (4)_____ the start that you're playing

Around it would have been fine...

Then I would (5)_____ played too and I guess

I would have had a (6)_____ time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got (7)_____ for you

And you put me through it

Fill in the gaps

Why would you bring me so much pain

I would still (8)_____ for you, 'cause I did adore you

While my dogs would chew you out

Tried to be so nice on those lonely nights

(On those lonely, lonely, (9)_____ nights)

But I should have figured you out

If you'd (10)_____ me (11)_____ the (12)_____ that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I (13)_____ have had a good time

I (14)_____ have had a (15)_____ time

If you'd told me from the start that you're playing

Around it would have (16)_____ fine

It would have been you baby

Then I would (17)_____ played too and I guess

I would have had a good time

Baby you're so fine

(You are the one that I love)

You are so fine

(Your love was sent from above)

You are so

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

(So doggone fine)

(You are the one that I love)

You are so fine, fine

(Your love was sent from up above)

Oh you're mine

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

Fill in the gaps

(So doggone fine)

Fine

(You are the one that I love)

Fine

(Your love was sent from up above)

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

(So doggone fine)

If you'd (18)_____ me from the start that you're playing

Around it would have been fine

If you told me

Then I would have played too and I guess

I would have had a good time

Feel good time, (19)_____ good time

Feel good time, feel good time

If you'd told me from the start that you're playing

Around it would (20)_____ been fine

Had a real (21)_____ time, boy now

Then I would (22)_____ played too and I guess

I would have had a good time
