

## Fine by Whitney Houston

**Fill in the gaps**

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I (1)\_\_\_\_\_ wasn't learning

Should have seen it all along

All those sweet (sweet), sweet kisses (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't doing it too

If you'd told me from the (2)\_\_\_\_\_ (3)\_\_\_\_\_ you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I (4)\_\_\_\_\_ have had a good time...

If you'd told me from the (5)\_\_\_\_\_ (6)\_\_\_\_\_ you're playing

Around it would have been fine...

Then I would have played too and I guess

I would have had a good time...

Something didn't (7)\_\_\_\_\_ right

And I wish I (8)\_\_\_\_\_ it

I just could not see your games...

I got respect for you

And you put me through it

## Fill in the gaps

Why would you (9)\_\_\_\_\_ me so much pain

I would stil love for you, 'cause I did adore you

While my dogs (10)\_\_\_\_\_ chew you out

Tried to be so nice on (11)\_\_\_\_\_ lonely nights

(On those lonely, lonely, lonely nights)

But I should have figured you out

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time

I would have had a good time

If you'd told me from the start that you're playing

Around it would have been fine

It (12)\_\_\_\_\_ (13)\_\_\_\_\_ been you baby

Then I would have played too and I guess

I would have had a (14)\_\_\_\_\_ time

Baby (15)\_\_\_\_\_ so fine

(You are the one that I love)

You are so fine

(Your love was sent (16)\_\_\_\_\_ above)

You are so

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine)

(So doggone fine)

Baby you're so fine

(You are the one that I love)

You are so fine, fine

(Your love was sent from up above)

Oh (17)\_\_\_\_\_ mall of mine

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine)

## Fill in the gaps

If you'd told me from the start that you're playing

Around it would have (19)\_\_\_\_\_ fine

If you told me

Then I would (20)\_\_\_\_\_ played too and I guess

I would have had a good time

Feel good time, feel good time

Feel good time, feel good time

If you'd told me from the start that you're playing

Around it would have been fine

Had a real good time, boy now

Then I would have played too and I guess

I would have had a good time

I guess I (21)\_\_\_\_\_ (22)\_\_\_\_\_ had a good time

If you'd (23)\_\_\_\_\_ me from the start that you're playing

Then I would have played too and I guess

I would have had a good time

If you'd told me from the start that you're playing

Around it would have been fine

It's fine, it's fine, it's fine

Then I would have played too and I guess

I would (25)\_\_\_\_\_ had a good time

Fine, fine, fine, fine, fine
