Fine by Whitney Houston
It's Fine
Fine, fine, fine, fine
It's alright
Had a dream last night
That the world stopped turning
But your madness, it kept on
Guess I wasn't too bright
And I really wasn't learning
Should have seen it all along
All those sweet (sweet), sweet kisses (yeah)
And those sweet (sweet) red roses (yeah)
They convinced me that it was you
I made you (you) exclusive (yeah)
Now it's so (now it's (1) that) conclusive
That you wasn't doing it too
If you'd told me from the start that you're playing
Around it would have been fine
It would have been fine
Then I would have played too and I guess
I would (2) had a (3) time
If you'd told me (4) the start that you're playing
Around it (5) have been fine
Then I would (6) played too and I guess
I would have had a (7) time
Something didn't feel right
And I wish I knew it
I (8) could not see your games
I got respect for you
And you put me through it

I would (9) love for you, 'cause I did adore you
While my dogs would chew you out
Tried to be so nice on those (10) nights
(On those lonely, lonely, lonely nights)
But I should (11) figured you out
If you'd told me (12) the start that you're playing
Around it would have (13) fine
It would have been fine
Then I would have played too and I guess
I would have had a good time
I would have had a (14) time
If you'd told me from the start that you're playing
Around it would have been fine
It would have been you baby
Then I (15) have played too and I guess
I would have had a good time
Baby you're so fine
(You are the one that I love)
You are so fine
(Your love was sent from above)
You are so
(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)
(So doggone fine)
Baby you're so fine
(You are the one that I love)
You are so fine, fine
(Your love was sent from up above)
Oh (16) mall of mine
(You're fine, fine, fine, fine, fine, fine, fine, fine, fine)
