Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world stopped turning
But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should have (1) $\qquad$ it all along

All those sweet (sweet), (2) $\qquad$ kisses (yeah)

And those sweet (sweet) red (3) $\qquad$ (yeah)

They convinced me that it was you
I made you (you) (4) $\qquad$ (yeah)

Now it's so (now it's conclusive that) conclusive
That you wasn't doing it too

If you'd told me from the start that you're playing
Around it would have been fine

It would have been fine

Then I would have (5) $\qquad$ too and I guess

I would have had a good time...

If you'd told me from the start that you're playing
Around it would have been fine...

Then I (6) $\qquad$ have played too and I guess

I would have had a good time...

Something didn't feel right
And I wish I (7) $\qquad$ it

I (8) $\qquad$ could not see your games...

I got respect for you

And you put me through it

Why would you bring me so much pain

I would (9) $\qquad$ (10) $\qquad$ for you, 'cause I did adore you

While my dogs would chew you out

Tried to be so nice on those lonely nights
(On those lonely, lonely, (11) $\qquad$ nights)

But I should have figured you out
If you'd told me (12) $\qquad$ the start that you're playing

Around it would have been fine
It would have been fine

Then I would have (13) $\qquad$ too and I guess

I would have had a good time

I would have had a good time
If you'd told me from the start that you're playing
Around it would (14) $\qquad$ (15) $\qquad$ fine

It would have been you baby
Then I would (16) $\qquad$ played too and I guess

I would have had a good time
Baby you're so fine
(You are the one that I love)
You are so fine
(Your love was sent from above)

You are so
(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)
(So doggone fine)
Baby you're so fine
(You are the one (17) $\qquad$ I love)

You are so fine, fine
(Your love was sent from up above)
Oh you're mall of mine
(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

Fine
(You are the one that I love)

Fine
(Your love was sent from up above)
(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)
(So doggone fine)

If you'd told me from the start that you're playing
Around it would have been fine

If you told me
Then I would have played too and I guess

I (19) $\qquad$ have had a good time

Feel good time, feel good time

Feel good time, feel good time

If you'd (20) $\qquad$ me from the start that you're playing

Around it would (21) $\qquad$ been fine

Had a real good time, boy now

Then I would have (22) $\qquad$ too and I guess

I would have had a good time
I guess I (23) $\qquad$ have had a good time

If you'd told me from the start that you're playing

Around it would have (24) $\qquad$ fine

It would have been fine, boy

Then I would have played too and I guess
I would have had a good time

If you'd told me (25) $\qquad$ the start that you're playing

Around it (26) $\qquad$ have been fine

It's fine, it's fine, it's fine

Then I would have played too and I guess

I would (27) $\qquad$ had a good time

Fill in the gaps

Fine, fine, fine, fine, fine

If you'd told me (28) $\qquad$ the start that you're playing

## Around it would have been fine

Then I would have played too and I guess

I would have had a (29) $\qquad$ time
