

Fill in the gaps

Well, I was young but I wasn't naive	After all (17) time
I watched helpless	I never thought we'd be here
As you turned (1) to leave	Never thought we'd be here
And (2) I have the pain I (3) to carry	When my love for you is blind
A past so deep	But I couldn't make you see it
That (4) you (5) not bury if you tried	Couldn't make you see it
	That I loved you (18) (19) you'll
After all this time	(20) know
I (6) thought we'd be here	A (21) of me died when I let you go
Never thought we'd be here	After all (22) why
When my (7) for you is blind	Would you ever wanna leave it
But I couldn't make you see it	Maybe you could not (23) it
Couldn't (8) you see it	That my love for you is blind
Well, I (9) asleep	But I couldn't make you see it
Only in hopes of dreaming	Couldn't make you see it
That (11) be	That I loved you more than you'll ever know
(13) it was before	When a part of me (24) when I let you go
But (14) this	That I loved you (25) than you'll ever know
It seems are slowly fleeting	When a (26) of me died when I let you go
They (16) as reality is crashing to the	
floor
