

## Fill in the gaps

## Un-Thinkable (I'm Ready) by Alicia Keys

Moment of honesty	It's become (16) that's impossible to
Someone's gotta take the lead tonight	ignore
Who's it gonna be?	It's (17) we make it
I'm (1) sit right here	I was (18) maybe
And (2) you all that comes to me	Could I make you my baby
If you (3) to say	If we do the un-thinkable will it make us look crazy
You (5) say it (6) now	Or would it be so (19)
(You should say it (7) now)	(20) way I'm sayin
You give me a (8) that I never felt before	If you ask me I'm ready
And I deserve it, I know I (9) it	If you ask me I'm ready
It's becoming something that's impossible to ignore	Why (21) up (22) we try
And I can't take it	Feel the (23) before the highs
I was wondering maybe	Clip our (24) before we fly away
Could I make you my baby	I can't say I can't compare
If we do the un-thinkable will it make us look crazy	I'm (25) in the air
If you ask me I'm ready	Won't you (26) be in the sky with me?
If you ask me I'm ready	
I (10) you said to me	I was wondering maybe
"This is exactly how it should feel	Could I (27) you my baby
When it's (11) to be"	If we do the un-thinkable will it make us (28) crazy
Time is (12) wasting so why wait for eventually	Or would it be so beautiful either way I'm sayin
If we (13) it it	If you ask me I'm ready
We should do it right now	If you ask me I'm ready
(We should do it right now)	If you ask me I'm ready
You give me a feeling that I never felt before	If you ask me I'm ready
And I deserve it, I (15) I deserve it
