

## Fill in the gaps

I'm feeling sexy and free
Like glitter's raining on me
You like a shot of pure gold
I think I'm 'bout to explode
I can taste the tension like a cloud of smoke in the air
Now I'm breathing like I'm running
Cause you're taking me there
Don't you know
You spin me out of control
(Uh uh uh uh)
We can do this all night
Turn this club skin tight
Baby come on
(Uh uh uh uh)
Pull me like a bass drum
Sparkin' up a rhythm
Baby, come on!
(Uh uh uh uh)
Rock my world (1) the sunlight
Make this dream the best I've ever known
Dirty dancing in the moonlight
Take me down like I'm a domino
Every second is a highlight
When we touch don't (2) let me go
Dirty dancing in the moonlight
Take me down like I'm a domino
Take me down like I'm a domino You got me losing my mind
You got me losing my mind
You got me losing my mind My heart beats out of time
You got me losing my mind My heart beats out of time I'm seeing Hollywood stars
You got me losing my mind My heart beats out of time I'm seeing Hollywood stars You stroke me like a guitar
You got me losing my mind My heart beats out of time I'm seeing Hollywood stars You stroke me like a guitar I can taste the tension like a cloud of smoke in the air
