## Comfortably Numb (Cover) by Staind

## Fill in the gaps

Hello	It (16) a (17) pinprick
Is there anybody in there?	There'll be no more (ahh)
Just nod if you can hear me	You may feel a little sick
Is there anyone at home?	Can you stand up?
Come on, now	I do believe it's working, good
I hear you're (1) down	That'll keep you going for the show
I can (2) your pain	Come on, it's (18) to go
Get you on your (3) again	There is no pain, you are receiving
Relax	A distant ships smoke on the horizon
Need some (4) first	You're (19) (20) through in waves
Just the basic facts	Your lips move
Can you (5) me where it hurts?	But I can't hear (21) you're saying
There is no pain, you are receiving	I was a child
A distant ships (6) on the horizon	I caught a (22) glimpse
You're only (7) through in waves	Out of the corner of my eye
Your lips move	I (23) to look but it was gone
But I can't hear what you're saying	I cannot put my (24) on it now
I was a child, I (8) a fever	The (25) is grown, the dream is lost
My hands (9) just (10) two balloons	And I have become comfortably numb
Now I've got (11) fever (12) again	I (26) become comfortably numb
Can't explain, you (13) not understand	
This is not how I am	
I (14) become (15)	
numb
