Comfortably Numb (Cover) by Staind

Hello	It just a little pinprick	
Is there anybody in there?	There'll be no more (ahh)	
Just nod if you can hear me	You may (6) a little sick	
Is there anyone at home?	Can you (7) up?	
Come on, now	I do believe it's working, good	
I hear you're (1) down	That'll keep you going for the show	
I can ease (2) pain	Come on, it's time to go	
Get you on your feet again	There is no pain, you are receiving	
Relax	A distant ships smoke on the horizon	
Need some information first	You're only coming through in waves	
Just the basic facts	Your (8) move	
Can you (3) me where it hurts?	But I can't hear what you're saying	
There is no pain, you are receiving	I was a child	
A distant ships smoke on the horizon	I caught a fleeting glimpse	
You're only coming (4) in waves	Out of the corner of my eye	
Your lips move	I turned to look but it was gone	
But I can't hear what you're saying	I cannot put my finger on it now	
I was a child, I caught a fever	The child is grown, the dream is lost	
My hands (5) just like two balloons	And I have become (9)	numb
Now I've got that fever once again	I have become (10)	numb
Can't explain, you would not understand		
This is not how I am		
I have become comfortably numb
