

You've got to step into my world

## Fill in the gaps

## Give Me All Your Luvin' by Madonna & M.I.A. & Nicki Minaj

(L-U-V Madonna)	Give me all (3) love and give me your love
(Y-O-U you wanna)	Give me all your love today
I see you coming and I don't wanna know your name	Give me all your love and give me your love
(L-U-V Madonna)	Let's forget about time
I see you coming	And dance our lives away
And you're gonna have to change the game	(Give me all your love boy) (4) me all your love boy
(Y-O-U you wanna)	You could be my boy, you could be my boy toy
Would you like to try?	In the nick of time I could say a sicker rhyme
Give me a reason why	'Cause it's time for change like a nickel or a dime
Give me all that you got	I'm Roman, I'm a barbarian, I'm Conan
Maybe you'll do fine	You was sleeping on me, you were dozin'
As long as you don't lie to me	Now move, I'm goin' in!!
And pretend to be what you're not	You have all the L-U-V
Don't play the stupid game	I gave you everything you (5) (now move)
'Cause I'm a different (1) of girl	Now it's up to Y-O-U
Every record sounds the same	Are you the one, shall we proceed?
You've got to step into my world	Me eat, (6) on sw-sw-swag shit
Give me all your love and give me your love	No one gives you this
Give me all your love today	It's supersonic, bionic, uranium hit
Give me all your love and give me your love	So I break (7) off tricks
Let's (2) about time	Let's pray that it sticks
And dance our lives away	Imma say this once, yeah I don't give a shit
(L-U-V Madonna)	Don't play the stupid game
(Y-O-U you wanna)	'Cause I'm a different kind of girl
Keep trying don't give up	Every record sounds the same
It's if you want it bad enough	You've gotta step into my world
(L-U-V Madonna)	Give me all your love and give me (8) love
It's right in front of you	(L-U-V Madonna)
Now tell me what you're thinking of	Give me all (9) love and (10) me your
(Y-O-U you wanna)	love
In another place, at a different time	(Y-O-U you wanna)
You can be my lucky star	Give me all your love and give me your love
We can drink some wine	Give me all your love today
Burgundy is fine	Give me all your love and give me your love
Let's drink the bottle every drop	Let's forget about time
Don't play the stupid game	And dance our lives away
'Cause I'm a different kind of girl	
Every record sounds the same	

- 1. kind
- 2. forget
- 3. your
- 4. Give
- 5. need
- 6. licks
- 7. 'em
- 8. your
- 9. your
- 10. give
