

## Fill in the gaps

reil me the wars you're fighting		
Behind the smile you're hidi	ng	
All of the things I know you want to say		
We tried our best to find us		
But there are no (1)	to guide us	
I can't sleep beside a stranger now		
And piece by piece we fall apart		
But (2) beat si	ows down my heart	
So I'll just say what you won't say		
And I'll (3) the bl	ame if it's for your sake	
No turning back on what you can't save		
So far gone		
Yeah, we're so far gone		
I've tried hard to remember		
This prison cell used to be a shelter		
Now we're just looking for the best way out		
And I can't (4)	you anymore	
You're already one foot out the door		
So I'll just say what you won't say		

And I'll take the (5)	if it's for your sake	
No turning back on what you can't save		
So far gone		
Yeah, we're so far gone		
And this is the face of letting go		
And these are the things we already know		
So I'll just say what you won't say		
And I'll take the blame if it's for your sake		
No turning (6) on what you can't save		
So I'll just say what you won't say (won't say)		
And I'll take the (7)	_ if it's for your sake (your	
sake)		
No turning back on what you can't save		
So far gone		
Yeah, we're so far gone		
Yeah, we're so far gone		
So I'll just say what you won't say	y
