(10)_____

She came from Greece	Smoke some fags and play some pool
She had a thirst for knowledge	Pretend you never went to school
She studied sculpture at Saint Martins College	But still you'll never get it right
That's where I	'Cos when you're laying in bed at night
Caught her eye	Watching roaches climb the wall
She told me that her dad was loaded	If you called your dad he could stop it all, yeah
I said, "In that case I'll have rum and Coca-Cola"	You'll never live like common people
She said, "Fine"	You'll never do whatever common people do
And then in thirty seconds' time, she said	Never fail like common people
"I wanna live like common people	You'll never watch your life slide out of view
I wanna do whatever common people do	And then dance and drink
Wanna sleep with common people	Because there's nothing (5) to do
I wanna sleep with common people like you"	Sing along with the common people
Oh, what else (1) I do?	Sing along and it might just get you through
I said, "I'll, I'll see what I can do"	Laugh along with the common people
I took her to a supermarket	Laugh along even though they're laughing at you
I don't know why, but I had to start it somewhere	And the stupid (6) you do
So it (2) there	
30 it (2) there	Because you think that poor is cool
I said: "Pretend you've got no money"	Because you think that poor is cool Wanna live with common people like you
