

Fill in the gaps

She waits alone, oh (1) night	There is no love like the love of your first love
Tears are in her eyes	It's so true
She has lost all the love she had	Your love will never (7) you
She lived her life for Him each day	Tears in the night
She threw it all away	Filled with pain
To live for (2) live her (3) her	You're running from the love
way	That you had before you cried out for (8) first love
There is no love (4) the love of your first love	There is no love like the love of (9) first love
It's so true	It's so true
It's for you as you are	Your love will never leave you
Tears in the night	Tears in the night
Filled with pain	Filled with pain
You're (5) (6) the love	You're running from the love
That you had once before - your first love	That you had before you cried out for your first love
Someone to hold you though the pain	Tears in the night
To make you smile again	Filled (10) pain
And to protect you forever	You're running from the love
Someone to take your fears away	That you had before you cried out for your first love
To help you through each day	
To carry you when you just can't go on
