Fill in the gaps

Boy
(Oh) killing me softly
And I'm (1) falling, still the one I need
I will always be (2) you
(Oh) you got me open
Don't ever let me go
Say it real loud if you fly
If you leave me you out of yo mind
Baby is a (ten)
We (3) to the (nine)
He picked me up, we (eight)
Made me feel so lucky (seven)
He kissed me in his (six)
We be making love in (five)
Still the one I do this (four)
I'm tryna make a (three)
From that (two)
Still the (one)
There's ups and downs in this love
Got a lot to learn in this love
Through the good and the bad, still got love
Dedicated to the one I love (hey)
Still love the way he talk
Still (4) the way I sang
Still love the way he rock them
Black diamonds in that chain
Still love up on each other, ain't a damn thing change
My girls can't tell me nothing, I'm gone in the brain
I'm all up under him like it's cold, winter time
All up in the kitchen in my heels, dinner time
Doing whatever that it takes, he got a winner's mind
Give it all to him, meet him at the finish line
Me and my boo and my boo boo riding
All up in that black (5) his chick right beside him
Ladies if you (6) your man (7) him you
the flyest
Grind up on it girl, (8) him how you ride it
Me and my boo and my boo boo riding
All up in that black (9) his chick (10)
beside him
Ladies if you love your man show him you the flyest
Grind up on it girl, (11) him how you ride it
(Oh) killing me softly
And I'm still falling, (12) the one I need
I will always be with you
(Oh) you got me open
Don't ever let me go
