

To miss you hide your ring

Fill in the gaps

First Floor (ah)	Thought about everything
Room Sixteen (ah)	I'm so naive imagining and all that
Smells like danger (let's go)	Did it again, love
Even better (let's go)	I got it all wrong
Set your goals (ah)	But it felt so right
Bless our souls (ah)	I can't believe it
'm in trouble (yes, I know)	And all the mistakes
But it feels like heaven	That went on for too long
Hey!	Wish there was a way
You were like one of (1) guys	I could delete it
The kind (2) a wandering eyes (hey!)	Eh, eh, eh
But I said, "hey what the hell	Ah, ah, ah
Once in my life I'll take a ride on the wild side"	Eh, eh, eh
You were so (3) of yourself	Ah, ah, ah
But damn, were you cute, as well (hey!)	It may seem to you that I am in a place
You liked my legs, I liked your moves	Where I'm losing the direction of my life
Anyone could (4) that it's hard to deny that	But I'm sure (8) this is nothing but a phase
Did it again, now	Right (9) at ya, cause I'll survive
got it all wrong	It may seem to you that I am in a place
But it felt so right	Where I'm losing the direction of my life
can't believe it	But I'm sure that this is nothing but a phase
And all the mistakes	Right back at ya, cause I'll survive
That went on for too long	Did it again, love
Nish there was a way	I got it all wrong
(5) delete it	But it felt so right
Eh, eh, eh, eh	I can't believe it
Ah, ah, ah, ah	And all the mistakes
Eh, eh, eh, eh	That went on for too long
Ah, ah, ah, ah	Wish (10) was a way
Second (6) in a row	I could delete it
Back in trouble	Did it again, love
don't get it	I got it all wrong
Gotta keep it down	Eh, eh, eh
Cause the lobby called	Ah, ah, ah
We ignore it (yes, I know)	Eh, eh, eh
Getting better	Ah, ah, ah
Hey!	Eh, eh, eh
When it comes to men it's known	Ah, ah, ah
That I end up choosing wrong	Eh, eh, eh
Cause I always trip and fall	Ah, ah, ah
The same old (7) and repeat and go back
