Chest to chest	In this california king bed
Nose to nose	We're 10000 miles apart
Palm to palm	I'll be california wishing on the stars
We were always just (1) close	For your heart on me
Wrist to wrist	My californa king
Toe to toe	Just when I felt like giving up on us
Lips that felt just like the inside of a rose	You turned around and gave me one last touch
So how come when I reach out my finger	That made everything feel better
It feels like more than distance between us	And even then my eyes got wetter
In this california king bed	So confused when I asked ask you if you love me
Were 10000 miles apart	But I don't wanna seem so weak
I (2) california wishing on the stars	Maybe I've been California dreaming
For youre (3) on me	In this california king bed
My californa king	Were 10000 miles apart
Eye to eye	California wishing on the stars
Cheek to cheek	For (7) heart on me
Side by side	My (8) king
You were sleeping next to me	My California King
Arm in arm	In this (9) king bed
Dusk to dawn	Were 10000 miles apart
With the curtains drawn	I've been california wishing on the stars
And a little last (4) on these sheets	For your heart on me
So how come (5) I reach out my fingers	My California king
It feels like more (6) distance between us
