

Fill in the gaps

	I (14) into your eyes
(Oh) He treats me with respect	I (15) to get to know you
He says he loves me all the time	And then you make this noise
He calls me fifteen times a day	And it's apparent it's all over
He likes to make sure that I'm fine	It's not fair
You know I've (1) met a man	And I think you're (16) mean
Who's (2) me (3) (4) so	I think you're really mean
secure	I think you're really mean
He's not (5) all them other boys	(Oh) You're supposed to care
They're all so dumb and immature	But you (17) make me scream
There's just one thing	You never (18) me scream
That's (6) in the way	(Oh) It's not fair
When we go up to bed you're just no good	And it's really not ok
Its such a shame	It's really not ok
I look into your eyes	It's really not ok
I want to get to know you	(Oh) You're supposed to care
And then you make this noise	But all you do is take
And its apparent it's all over	Yeah, all you do is take
It's not fair	There's just one thing
And I think you're really mean	That's getting in the way
I think you're (7) mean	When we go up to bed you're just no good
I think you're really mean	It's (19) a shame
(Oh) You're supposed to care	I (20) into your eyes
But you never make me scream	I want to get to know you
You never make me scream	And then you (21) (22) noise
(Oh) It's not fair	And its apparent it's all over
And it's really not ok	It's not fair
It's really not ok	And I think you're really mean
It's really not ok	I think you're (23) mean
(Oh) You're (8) to care	I think you're really mean
But all you do is take	(Oh) You're (24) to care
Yeah, all you do is take	But you never make me scream
I lie here in the wet patch	You never (25) me scream
In the (9) of the bed	(Oh) It's not fair
I'm feeling pretty damn hard done by	And it's really not ok
I've spent ages giving head	It's really not ok
Then I remember all the (10) things	It's really not ok
That you (11) said to me	(Oh) You're supposed to care
Maybe I'm just overreacting	But all you do is take
Maybe you're the one for me	Yeah, all you do is take
There's just one thing	
There's just one thing That's getting in the way
