Fill in the gaps

Rolling In The Deep (Cover) by Linkin Park

There's a fire starting in my heart	Rolling in the deep
Reaching a fever pitch and it's bringing me out the dark	You had my heart inside your hand
Finally I can see you crystal clear	But you (17) it to the beat
Go ahead and sell me out and a I'll lay your ship bare	We could have had it all
See how I'll leave with every piece of you	Rolling in the deep
Don't (1) the	You had my (18) inside of (19) hand
(2) that I will do	But you played it with a beating
There's a fire starting in my heart	Throw your soul through every open door
Reaching a fever (3) and it's (4)	Count your blessings to find (20) you
me out the dark	(21) for
The scars of your love remind me of us	Turn my sorrow into (22) gold
They keep me thinking that we (5) had it all	You pay me (23) in kind
The scars of (6) love, they leave me breathless	And reap just what you sow
I can't help feeling	
We (7) have had it all	You're gonna (24) you never had met me
Rolling in the deep	Tears are gonna fall
You had my heart inside your hand	Rolling in the deep
And you played it to the beat	You're gonna wish you
Baby, I have no story to be told	We could (25) had it all
But I've heard one on you	We could (26) had it all
And I'm gonna make (8) (9) burn	Rolling in the deep
See me in the depths of your despair	You had my (27) (28) of your
Making a (10) down there	hand
'Cause mine (11) won't be shared	But you played it
The (12) of your love (13) me of	You played it
us	You played it
They keep me thinking that we almost had it all	You played it to the beat
The scars of (14) love, they leave me breathless	
I can't (15) feeling	
We (16) have had it all
