## SUB inglés

We could have had it all...

## Fill in the gaps

## Rolling In The Deep (Cover) by Linkin Park

There's a fire starting in my heart	Rolling in the deep
Reaching a fever pitch and it's bringing me out the dark	You had my (6) inside (7) hand
Finally I can see you crystal clear	But you played it to the beat
Go ahead and sell me out and a I'll lay your (1)	We (8) have had it all
bare	Rolling in the deep
See how I'll leave with every piece of you	You had my (9) inside of your hand
Don't underestimate the things that I will do	But you (10) it with a beating
There's a fire starting in my heart	Throw your soul through every open door
Reaching a fever pitch and it's bring me out the dark	Count your blessings to find what you look for
The scars of your (2) remind me of us	Turn my sorrow into treasured gold
They (3) me thinking that we almost had it all	You pay me back in kind
The scars of your love, (4) leave me breathless	And reap just what you sow
I can't help feeling	
We could have had it all	You're gonna wish you never had met me
Rolling in the deep	Tears are gonna fall
You had my heart inside (5) hand	Rolling in the deep
And you played it to the beat	You're gonna wish you
Baby, I have no story to be told	We could have had it all
But I've heard one on you	We could have had it all
And I'm gonna make your head burn	Rolling in the deep
See me in the depths of your despair	You had my heart inside of your hand
Making a home down there	But you played it
'Cause mine sure won't be shared	You played it
The scars of your love remind me of us	You played it
They keep me thinking that we almost had it all	You played it to the beat
The scars of your love, they leave me breathless	
I can't help feeling
