

Fill in the gaps

I never (1)	that you	You put your arms around me
Would be the one to hold my heart		And I believe that it's easier for you to let me go
But you came around		I hope that you see right through my walls
And you knocked me off the ground from the start		I hope that you catch me, 'cause I'm (7)
You put your arms around me		falling
And I believe that it's easier for you to let me go		I'll never let a love get so close
You put (2) arms	s (3) me and I'm	You put your arms around me and I'm home
home		I tried my best to never let you in to see the truth
How many times will you let me		And I've never opened up
Change my (4) ar	nd (5) around	I've never truly loved 'till you put (8) arms aroun
I can't decide if I'll let you save my life or if I'll drown		me
I hope that you see right through my walls		And I believe that it's easier for you to let me go
I (6) that you catch me, 'cause I'm already falling		I hope that you see right through my walls
I'll never let a love get so close		I (9) that you catch me, 'cause I'm already falling
You put your arms around me and I'm home		I'll never let a love get so close
The world is coming down on me		You put your arms around me and I'm home
And I can't find a reason to be loved		You put your arms around me and I'm home
I never wanna leave you		
But I can't make you bleed if	I'm alone	

1. thought
