Best Thing I Never Had by Beyoncé

What goes around	Best thing I never had
Comes back around (hey my baby)	I said, you (8) out to be the
What (1) around	Best thing I never had
Comes back around (hey my baby) I say	(Mm) And I'll never be the best thing you never ha
What goes around	Oh baby I bet sucks to be you right now
Comes (2) around (hey my baby)	I know you want me back
What goes around comes back around	It's time to face the facts
There was a time	That I'm the one that's got away
I thought, that you did everything right	Lord knows that it would take
No lies, no wrong	Another place, another time
Boy I, must've been outta my mind	Another world, another life
So when I think of the time that I almost loved you	Thank God I found the good in goodbye
You showed you ass and I saw the real you	I used to want you so bad
Thank God you blew it	I'm so through it that
Thank God I dodged the bullet	'Cuz honestly you turned out to be the
I'm so over you	Best thing I never had
So baby good lookin' out	You turned out to be the
I wanted you bad	Best thing I never had
I'm so through with it	And I will always be the
Cuz honestly you turned out to be the	Best thing you never had
Best thing I (3) had	Best thing you never had
You turned out to be the	I used to want you so bad
Best thing I never had	I'm so through it that
And I'm gon' (4) be the	Cause honestly you turned out to be the
Best (5) you never had	Best (9) I (10) had
l bet it (6) to be you right now	Oh you turned out to be the
So sad, you're hurt	Best thing I never had
(Boo-hoo, oh) Did you expect me to care?	Oh I will never be the
You don't deserve my tears	Best thing you never had
I guess that's why they ain't there	Oh baby, I bet it sucks to be you right now
When I think that there was a time	(What goes around, comes back around)
That I almost (7) you	(Goes around, comes back around)
You showed you ass and baby yes, I saw the real you	Bet it sucks to be you right now
Thank God you blew it	(Goes around, comes back around)
Thank God I dodged the bullet	I bet it sucks to be you right now
I'm so over you	(Goes around, comes back around)
Baby good lookin' out	I bet it sucks to be you right now
I wanted you bad	

- 1. goes
