

Fill in the gaps

Major-General's Song by Gilbert And Sullivan

...

I am the very model of a modern Major-General
I've information vegetable, animal, and mineral
I know the kings of England
And I quote the (1)_____ historical
From Marathon to Waterloo, in order categorical
I'm very well acquainted, too, with matters mathematical
I understand equations, (2)_____ the simple and
quadratical
About binomial theorem I'm teeming with a lot o' news
(Hmm, lot of news.... Got it!)
With many cheerful facts
About the square of the hypotenuse

...

I'm very good at integral and differential calculus
I know the scientific names of beings animalculous
In short, in matters vegetable, animal, and mineral
I am the very model of a modern Major-General

...

I know our mythic history
King Arthur's and Sir Caradoc's
I answer hard acrostics, I've a pretty taste for paradox
I quote in elegiacs all the crimes of Heliogabalus
In conics I can floor peculiarities parabolous
I can tell undoubted
Raphaels from Gerard Dows and Zoffanies
I know the croaking chorus
From The Frogs of Aristophanes
Then I can hum a fugue
Of which I've heard the music's din afore
(Ooh, din afore, din afore... Got it!)
And whistle all the airs
From that infernal nonsense Pinafore

...

Then I can write a washing bill in Babylonian cuneiform
And tell you every detail of Caractacus's uniform
In short, in matters vegetable, animal, and mineral
I am the very model of a modern Major-General

...

In fact
When I (3)_____ what is meant by "mamelon" and
"ravelin"
When I can tell at sight a Mauser rifle from a javelin
When such affairs as sorties

And surprises I'm more wary at
And when I know precisely
What is meant by "commissariat"
When I have learnt
What progress has (8)_____ made in modern gunnery
When I know more of tactics than a novice in a nunnery
In short, when I've a smattering of elemental strategy
You'll say a better Major-General has never rode a horse!

...

For my military knowledge
Though I'm plucky and adventurous
Has only (9)_____ brought down
To the beginning of the century
But still, in matters vegetable, animal, and mineral
I am the very model of a modern Major-General!

...

And surprises I'm more wary at
And when I know precisely
What is meant by "commissariat"
When I have learnt
What progress has been made in modern gunnery
When I know more of tactics than a novice in a nunnery
In short, when I've a smattering of elemental strategy
(Oh, that's a hard one, strategy... Got it!)
You'll say a better Major-General has never sat a-gee

...

For my military knowledge
Though I'm plucky and adventurous
Has only been brought down
To the beginning of the century
But still, in (4)_____ vegetable, animal, and
mineral
I am the very model of a modern Major-General

...

(One more time?!)

...

In fact
When I (5)_____ what is meant by "mamelon" and
"ravelin"
When I can (6)_____ at (7)_____ a Mauser rifle
from a javelin
When such affairs as sorties
And surprises I'm more wary at
And when I know precisely
What is meant by "commissariat"
When I have learnt
What progress has (8)_____ made in modern gunnery
When I know more of tactics than a novice in a nunnery
In short, when I've a smattering of elemental strategy
You'll say a better Major-General has never rode a horse!

...

For my military knowledge
Though I'm plucky and adventurous
Has only (9)_____ brought down
To the beginning of the century
But still, in matters vegetable, animal, and mineral
I am the very model of a modern Major-General!

...

Answer

1. fights
2. both
3. know
4. matters
5. know
6. tell
7. sight
8. been
9. been
