

Fill in the gaps

The Sidewinder Sleeps Tonite by R.E.M.

This here is the place where I will be staying	Call me when you try to wake her up
There isn't a number, you can call the pay phone	Call me when you try to wake her
Let it ring a long, long, long time	Call me when you try to wake her up
If I don't pick up, (1) up, let it ring (2)	Call me (16) you try to wake her
more	Call me when you try to wake her up
lf I don't (3) up, pick up	Call me when you try to wake her
The (4) sleeps, sleeps in a	The cat in the hat (17) back
coil	Wrecked a lot of havoc
Call me when you try to wake her up	On the way, always had a smile
Call me when you try to wake her	And a reason to pretend
Call me (5) you try to (6) her up	But their world has flat backgrounds
Call me when you try to wake her	And little (18) to sleep butto dream
Call me when you try to wake her up	The (19) sleeps on his back
Call me when you try to wake her	Call me (20) you try to (21) her up
There are scratches all (7) the coin slot	Call me (22) you try to (23) her
Like a heartbeat, baby trying to wake up	Call me when you try to wake her up
But this machine can only swallow money	Call me when you try to wake her
You can't lay a patch by computer design	I can always sleep (24) up
It's (8) a lot of stupid, stupid signs	Call me when you try to wake her
Tell her	Call me when you try to wake her up
Tell her she can kiss my ass	Call me when you try to wake her
Then (9) and say that you were only kidding	Call me when you try to wake her up
That way she'll (10) that it's really, really, really	Call me when you try to (25) her
Really me, me	I can always sleep standing up
Call me when you try to wake her up	Call me when you try to wake her
Call me when you try to wake her	Call me when you try to wake her up
Call me when you try to wake her up	Call me when you try to wake her
Call me (11) you try to (12) her	I can always (26) standing up
Call me when you try to wake her up	Call me when you try to wake her
Call me when you try to (13) her	I can always sleep standing up
Baby, instant soup doesn't really grab me	Call me when you try to (27) her
Today I need something more	We've got to moogie, moogie, move on this one
(Substa-sub-sub-stantial)	
A can of beans or blackeyed peas	
Some Nescafe and ice	
A (14) bar, a falling star	
Or a (15) of Doctor Seuss
