

Fill in the gaps

	But my (20) for you are forever
In the brightest hour	One (21) kiss
Of my (1) day	Before I go
I realized	Dry your tears
What is (2) (3) me	It is time to let you go
Can't get (4) you	One last kiss
Can't get (5) to you	(One last kiss)
It's been a helter-skelter (6) (7)	_ Before I go
the start	(Before I go)
Take these memories	Dry (22) tears
That are haunting me	(Dry your tears)
Of a paper man cut into shreds	It is time to let you go
By his own pair of scissors	Because days come and go
He'll (8) (9) her	But my feelings for you are forever
He'll never (10) her	Because (23) come and go
Because (11) come and go	But my feelings for you are forever
But my (12) for you are forever	One last kiss
Because (13) come and go	(One last kiss)
But my (14) for you are forever	Before I go
Sitting by the fire on a (15) night	(Before I go)
Hanging over from another (16) time	Dry your tears
With another girl, little dirty girl	(Dry your tears)
You should listen to this story of a life	It is (24) to let you go
You're my heroin	One last kiss
In this moment I'm lonely	Before I go
Fullfilling my darkest dreams	Dry (25) tears
All (17) drugs, all these women	It is (26) to let you go
I'm never forgiving	One last kiss
This (18) heart of mine	
Because days come and go	
But my feelings for you are forever	
Because (19) come and go
