## The Hardest Button To Button by The White Stripes

	We don't know you
Ve started living in an old house	And we don't owe you
My ma gave birth and we were checking it out	But if you see us around
t was a baby boy	I got something else to show you
So we bought him a toy	Now it's easy, when you don't know better
t was a ray gun	You think it's sleazy then put it in a short letter
And it was 1981	We (3) warm
Ve named him "Baby"	But there's just something wrong when you
He had a toothache	Just (4) (5) you're the hardest little
He started crying	button to button
t sounded like an earthquake	I had opinions that didn't matter
t didn't last long	I had a brain that felt (6) pancake batter
Because I stopped it	I got a (7) with nothing in it
grabbed a rag doll	Except a stick, a dog and a box with something in it
And (1) some little pins in it	The hardest (8) to button
Now we're a family	The hardest button to button
And we're alright now	The hardest button to button
Ve got money	The hardest button to button
And a little place to (2) now
