

## Fill in the gaps

We don't know you

## The Hardest Button To Button by The White Stripes

We started living in an old house	And we don't owe you
My ma gave birth and we were checking it out	But if you see us around
It was a baby boy	I got something else to show you
So we bought him a toy	Now it's easy, (3) you don't know better
It was a ray gun	You think it's sleazy then put it in a short letter
And it was 1981	We keep warm
We named him "Baby"	But there's just something wrong (4) you
He had a toothache	Just feel that you're the hardest little button to button
He started crying	I had opinions that didn't matter
It sounded like an earthquake	I had a brain that felt like (5) batter
It didn't last long	I got a backyard with nothing in it
Because I stopped it	Except a stick, a dog and a box (6)
I grabbed a rag doll	(7) in it
And stuck (1) little (2) in it	The (8) button to button
Now we're a family	The (9) button to button
And we're alright now	The hardest button to button
We got money	The (10) button to button
And a little place to fight now
