And I thought we could be

You were everything, everything that I wanted

My Happy Ending (Live) by Avril Lavigne

So much for my happy ending	We were (3) to be, supposed to be
(Oh oh)	But we (4) it
Let's talk this over	And all of the memories, so close to me
It's not like we're dead	Fade away
Was it something I did?	All this (5) you (6) pretending
Was it something you said?	So much for my happy ending
Don't leave me hanging, in a city so dead	It's nice to know that you were there
Held up so high, on such a breakable thread	Thanks for acting like you cared
You were all the things I thought I knew	And making me feel like I was the only one
And I thought we could be	It's nice to know we had it all
You were everything, everything	Thanks for watching as I fall
That I wanted	Letting me know we were done
We were meant to be, supposed to be	He was (everything that I wanted)
But we lost it (but we lost it)	We were meant to be, supposed to be
And all of the memories, so close to me	But we lost it
Fade away	And all of the memories, so close to me
All this time you were pretending	Fade away
So much for my happy ending	All this time you were pretending
(Oh oh)	So much for my happy (ending)
You've got your dumb friends	You were everything, everything that I wanted
I (1) what they say	And we were (7) to be, supposed to be
They tell you I'm difficult	But we lost it
But so are they	All of the memories, so close to me
But (2) don't know me	Just fade away
Do they even know you?	And all this time you (8) pretending
All the things you hide from me	So much for my happy ending
All the shit that you do	(Oh oh)
You were all the things I thought I knew
