Fill in the gaps

I settled down
A twisted up frown disguised as a smile, well
You would've never known
I had it all, but not what I wanted
'Cause hope for me
Was a (1)_____ uncharted and overgrown
You'd make your way in
I'd (2)_____ you just like this you can't tell me to feel
The (3)_____ never set me free so I did it myself
You can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach out a little more
More, more, more, more
Open your eyes like I opened mine
It's (4)_____ the real world
A (5)_____ you will never know
Shifting your weight to throw off the pain
Well, you can ignore it, but only for so long
You look like I did

You resist me just (6)_____ this you can't tell me to heal
And it hurts (7)_____ how it felt to shut
down
Can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach out a (8)_____ more
More, more, more, more
The truth never set me free
The (9)_____ never set me free
The truth never set me free so I'll do it myself
You can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach out
Can't be too careful anymore
When all that is (10)_____ for you
Won't come any closer
You've got to reach out more
More, more, more, more!
