

Careful by Paramore

Fill in the gaps

I settled down
A twisted up frown disguised as a smile, well
You would've never known
I had it all, but not what I wanted
'Cause hope for me
Was a place (1)_____ and overgrown
You'd make your way in
I'd resist you just like this you can't tell me to feel
The (2)_____ never set me (3)_____ so I did it
myself
You can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach out a little more
More, more, more, more
Open your eyes like I opened mine
It's only the real world
A life you will never know
Shifting your weight to throw off the pain
Well, you can ignore it, but (4)_____ for so long
You look like I did

You resist me just like this you can't tell me to heal
And it hurts remembering how it felt to shut down
Can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach out a (5)_____ more
More, more, more, more
The truth (6)_____ set me free
The truth never set me free
The truth (7)_____ set me (8)_____ so I'll do it
myself
You can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to (9)_____ out
Can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach out more
More, more, more, more!
