

Fill in the gaps

I settled down		
A twisted up (1) disguised as a smile, well		
You would've never known		
I had it all, but not what I wanted		
'Cause hope for me		
Was a place uncharted and overgrown		
You'd make your way in		
I'd resist you just like this you can't tell me to feel		
The truth never set me free so I did it myself		
You can't be too (2) anymore		
When all that is waiting for you		
Won't come any closer		
You've got to reach out a little more		
More, more, more		
Open your eyes like I opened mine		
It's only the real world		
A life you will (3) know		
Shifting your weight to throw off the pain		
Well, you can ignore it, but only for so long		
You (4) like I did		

You resist me just like (5)	you can't tell me to heal	
And it hurts (6)	how it felt to shut	
down		
Can't be too (7)	anymore	
When all that is waiting for you		
Won't come any closer		
You've got to (8) ou	t a little more	
More, more, more, more		
The truth never set me free		
The (9) never set m	e free	
The truth never set me free so I'll	do it myself	
You can't be too careful anymore		
When all that is waiting for you		
Won't come any closer		
You've got to reach out		
Can't be too careful anymore		
When all that is waiting for you		
Won't come any closer		
You've got to reach out more		
More, more, more!
