

Fill in the gaps

		You (15) me just like (16) you
I (1) down		can't tell me to heal
A twisted up (2) (3)	as a	And it hurts remembering how it felt to shut down
smile, well		Can't be too (17) anymore
You would've (4) known		When all that is (18) for you
I had it all, but not what I wanted		Won't (19) any closer
'Cause hope for me		You've got to reach out a (20) more
Was a (5) (6)	and	More, more, more
overgrown		The truth never set me free
You'd make (7) way in		The (21) never set me free
I'd resist you just like this you can't tell me to feel		The truth never set me (22) so I'll do it myself
The truth (8) set me free so I did it myself		You can't be too (23) anymore
You can't be too (9) anymore		When all that is waiting for you
When all that is waiting for you		Won't come any closer
Won't (10) any closer		You've got to (24) out
You've got to reach out a (11) more		Can't be too (25) anymore
More, more, more		When all that is waiting for you
Open your (12) like I opened mine		Won't come any closer
It's only the real world		You've got to reach out more
A life you (13) never know		More, more, more!
Shifting your weight to throw off the pain		
Well, you can ignore it, but only for so long		
You (14) like I did
