You resist me (5)_____ like (6)____ you can't tell

I settled down	me to heal
A twisted up frown disguised as a smile, well	And it hurts remembering how it felt to shut down
You would've never known	Can't be too careful anymore
I had it all, but not what I wanted	When all that is waiting for you
'Cause hope for me	Won't come any closer
Was a place uncharted and overgrown	You've got to reach out a little more
You'd make your way in	More, more, more
I'd resist you just (1) this you can't tell me to feel	The truth never set me free
The truth never set me free so I did it myself	The truth never set me free
You can't be too careful anymore	The (7) never set me free so I'll do it myself
When all (2) is waiting for you	You can't be too careful anymore
Won't come any closer	When all that is waiting for you
You've got to reach out a little more	Won't (8) any closer
More, more, more, more	You've got to reach out
Open your eyes like I (3) mine	Can't be too (9) anymore
It's only the real world	When all that is waiting for you
A life you will never know	Won't come any closer
Shifting your (4) to throw off the pain	You've got to reach out more
Well, you can ignore it, but only for so long	More, more, more!
