

And all you're ever going to be is mean

## Fill in the gaps

You, with your words like knives	Someday Hi be big enough so you can't nit me
And swords and weapons (1) you use against me	And all you're ever going to be is mean
You, have knocked me off my feet again	Why you gotta be so mean?
Got me feeling like I'm nothing	And I can see you years from now in a bar
You, with your voice like (2) on a chalkboard	Talking over a football game
Calling me out when I'm wounded	With that same big loud opinion but
You, (3) on the weaker man	Nobody's listening
Well you can take me down with (4) one single	Washed up and ranting about the same old (8)
blow	things
But you don't know	Drunk and grumbling on about how I can't sing
What you don't know	But all you are is mean
Someday I'll be living in a big ol' city	All you are is mean
And all you're ever going to be is mean	And a liar
Someday I'll be big enough so you can't hit me	And pathetic
And all you're ever going to be is mean	And alone in life
Why you (5) be so mean?	And mean, and mean, and mean
You, with your switching sides	But someday I'll be living in a big ol' city
And your wildfire lies and your humiliation	And all you're ever going to be is mean, yeah
You, have pointed out my flaws again	Someday I'll be big enough so you can't hit me
As if I don't already see them	And all you're ever going to be is mean
I walk with my head down	Why you gotta be so mean?
Trying to block you out 'cause I'll never impress you	Someday I'll be living in a big ol' city
I just wanna feel okay again	(Why you gotta be so mean?)
I bet you got pushed around	And all you're ever going to be is mean
Somebody made you cold	Why you gotta be so mean?
But the cycle ends right now	Someday I'll be big enough so you can't hit me
Cause you can't lead me (6) (7) road	(Why you gotta be so mean?)
And you don't know	And all you're ever going to be is mean
What you don't know	Why you (9) be so mean?
Someday I'll be living in a big ol' city	

## 1. that
