

Fill in the gaps

So Far Away by Avenged Sevenfold

Never (1) for anything	Place and time (14) on my mind
Never (2) but never free	I have so much to say but you're so far away
Alive to (3) the broken heart with all (4)	Sleep tight, I'm not afraid
it could	The (15) that we love are here (16) me
Lived a life so endlessly	Lay away a place for me
Saw beyond what (5) see	'Cause as (17) as I'm (18) I'll be on my
I tried to heal your broken heart	way
With all that I could	To live eternally
Will you stay?	How do I live without the ones I love?
Will you (6) away forever?	Time (19) turns the pages of the (20)
How do I live without the (7) I love?	it's burned
Time still turns the pages of the (8) it's burned	Place and time always on my mind
Place and (9) always on my mind	And the light you left (21) but it's so
I have so much to say but you're so far away	(22) to stay
Plans of what our futures hold	When I have so (23) to say and you're so far away
Foolish lies of growing old	I (24) you
It seems we're so invincible	You were ready
The truth is so cold	The (25) is strong and urges rise
A final song, a (10) request	But I'll see you
A (11) chapter laid to rest	You'll let me
Now and then I try to find a place in my mind	Your pain is gone, your hands are tied
Where you can stay	So far away
You can stay (12) forever	And I need you to know
How do I live (13) the ones I love?	So far away
Time still turns the pages of the book it's burned	And I need you to need you to know
